FOR WOODS' Hair Restorative is, in fact, the most wonderful discovery of modern progress, for it will restore permanently hair to its original color, cover the bald with a most luxuriant growth, cure all dandruff and itching, cure all other cutaneous eruptions, such as eczema, etc. It will cure, also, the itching scalp, make the hair soft and wavy, and preserve the color and the hair from falling, to extreme old age. The following is from a distinguished medical professional:

MUSO! MUSO! MUSO!

The musician has just received a variety of new instruments from the factory of Geo. A. Prince & Co., of Portland - Me.

These instruments are pronounced by us to have never been seen, to be superior in quality and finish to any other instrument of the kind manufactured. These instruments will enable the musician to produce music with the addition of English and German horns, and, besides, to play in any style he is accustoming to. The prices are as low as if purchased from the manufacturer, and are certainly a large quantity of music made constantly on hand.

Every kind of Humor, from the Scum
down to the common Pimple.
He has cured it in over eleven hundred
cases, and never failed except in two cases,
thunder humor. He has now in possession
over two hundred certificates of its value

Two bottles are warranted to cure a
single sore mouth.
One to three bottles will cure the

Two or three bottles will clear the

Two bottles are warranted to cure

Three to five bottles are warranted to

One to two bottles are warranted to

Two bottles are warranted to cure ru

Four or six bottles are warranted to
corrupt and running rinds.
One bottle will cure scaly eruptions
skin.
Two or three bottles are warranted to
the worst case of ringworm.
Two or three bottles are warranted to
the most desperate case of rheumatism.

Three or four bottles are warmed in a water bath, and the contents poured into a clean, dry bottle. Five or eight bottles will cure the case of scrofula.

A benefit is always experienced from first bottle, and a perfect cure is warranted when the quantity is taken, and the patient looks as comfortable as those who have vainly tried all the wonderful medicine of the day, as that a common weed grows in the pastures and along old stone walls, and should cure every humor in the system if it is fixed first. If you have a humor that has to start, there are no fixings for it. It will start, and you have to let it out. It may not have, about it, nothing to do with it, but you are not young. I collected over a thousand of it in the vicinity of Boston, 1 year ago, and it cures every case. It has
